Management Fees

- Care Management Fees**

Care Management is a service that must be provided to all Home Care Package clients. This fee covers the cost of ongoing care planning and service coordination to ensure that your care is responsive and tailored to your individual needs, goals, and preferences. It includes regular assessments, monitoring of your wellbeing, and making sure the right services are in place to support you as your circumstances change.

- Package Management Fees**

This fee covers the cost of administration and organisational activities involved in managing your Home Care Package. It includes the preparation of monthly Home Care Package statements, submitting claims and reporting through government systems, and ensuring compliance with regulatory and quality standards. These activities are essential to support the smooth delivery and oversight of your services.
